

## Family Carnival and Silent Auction 2019

Since its inception, the PTO has helped in the financing of field trips, carried out teacher appreciation events and helped to boost health and fitness, including sports and music boosters. We have partnered with the school to provide iPads to our students, helped with the broadcasting studio at BJH, invested in touchscreen technology for classrooms and hosted events such as Book Fair, Daddy Daughter and Mother Son Dances as well as helped with graduations and DARE programs.

It has also helped to carry out a lot of beneficial infrastructural support in the school which include the schools' playgrounds, buddy benches, technology updates and much more.

Now, we need assistance to help with the **Family Carnival at Butler Jr. High**. With your support, the event promises to be fun one. There are lots of entertaining carnival games, inflatables, cake walk, magic shows, bingo room, game truck, mobile escape room and lots of prizes. There is also going to be a silent auction and raffle prizes. For this event to succeed, we are going to need volunteers to make the day great. You can sign up for a 30-minute shift (or more!) on our website [www.butler53pto.com](http://www.butler53pto.com) via the sign-up genius link. Have a high schooler? They can bring some friends along AND earn service hours!

Additionally, please reach out to your head room parents to see if you can contribute to the class baskets in any way. You can also donate directly to the Carnival by visiting our website at [www.butler53pto.com](http://www.butler53pto.com) or making a check payable to Butler 53 PTO and mailing it to 60 Regent Drive Oak Brook IL 60523. Please note that no amount is too small to help with the success of this event.

We really appreciate your support! Invitations will be sent home on Monday January 7th with RSVPs due no later than January 18th. Tickets will also be available at the door but will be a little more expensive. For questions, please call or text Rahma Hasan: 734-945-1304.

We look forward to seeing you all!

Carnival Team
