

Virtual STEM Program!

Fall 2020

Brook Forest Elementary

GRADES K-5

This online class takes a hands-on approach to science, engineering and computer programming, allowing students to explore a variety of fun and educational activities using common household materials. Under the guidance of a live instructor during each 45 minute session, students will improve their problem solving, math, and physics skills – all while engaging in exciting science and coding projects! This class also includes video lessons to guide students through the creation of additional projects outside of class time!

Course Time: Wednesdays, September 9th - October 28th, 4:30 PM - 5:15 PM
(8 Classes)

An email with the link to the recurring Zoom meeting and any additional information for the course will be sent to the email address entered during your registration. The email will be sent one business day before the class begins.
