Tickets are \$30 per person and include

- bowling lane and shoe rental for 2 hours (\$12)
- a framed father son photograph from Tom Killoran photography taken at your lane (\$5 per person for the \$10 frame of father/son pair)
- pizza, salad and dessert from Zazzo's Pizza in Westmont. Group sales so cannot opt out (\$8)
- Fundraising for PTO (\$5)

The Butler 53 PTO invites you to the Father Son Bowl fundraiser to benefit students and teachers at Brook Forest Elementary and Butler Junior High School.

We will raffle off autographed basketballs and footballs per grade level from the event. For example, all first graders present will autograph a basketball and a football at the event. The first grade basketball and the first grade football will then be raffled off. We will have a designated basketball and a football for all grades (K-8).

A photo opportunity will also be available in which we will use attendee's phones to take a picture of fathers and sons with championship rings at our VIP table. The championship rings will also be raffled off.

Dress code: Event swag includes tattoo sleeves for all players so please be sure to wear short sleeves. Socks are strongly suggested.

Lane reservations: Each lane can have a maximum of 8 players. We have created a Sign-up genius where you can reserve a lane and pay for your ticket. We have suggested grade levels for each lane. These are suggestions only. We realize that people have multiple children and friends from different grade levels so please choose the lane you would like to be at.

COVID policy: Suburbanite Bowl has a restaurant and bar inside. Its COVID policy is like restaurants in which masks are required until you reach your lane. Each lane has low tables and high tables. We will place the event food on the high tables near each lane to maintain social distance. We additionally have rented out all 32 lanes at the bowling alley for the event.

We would like to thank our event sponsor [Thompson Plumbing](#) for the sleeves, rings, basketballs, footballs and VIP table. We would like to thank [Breakaway Basketball](#) for their donation of lessons.
