Break out your best 80's wear because we are turning back the clock for a night that will be Totally Radical! The event will be filled with food, fun, dancing, cocktails/mocktails, silent auction and a costume competition.

All proceeds benefit Butler Jr High and Brook Forest Elementary School. Our schools rely on the PTO's generous support to provide "extras" such as sports uniforms, Teacher Wish Lists, educational and enrichment field trips, upgraded technology for our students and much more!
